

Day5:

| Process                | Steps To Execute   | Expected Results   |
|------------------------|--|--|
| Edit Shipping Location | 1. Navigate to Systems section, shipping Option<br>2. Choose Shipping Location<br>3. Fill all the details except Message | 1. Click the save icon and verify it is on the same page<br>2. Try to get the tooltip message "Please fill out this fields." and assert the message<br>Negative test case validation |

To get Tooltip message (Please note ,as per Test Objective there is no message box ,so

I have not filled the city name while Editing Shipping Locations
